

## BioPro-Pet Spray usage guide

Spray undiluted directly onto pet's fur. BioPro-Pet Spray will not stain pet's fur. Leave to dry; do not rinse off. You may want to brush or rub into fur, but this is not essential.

Apply 4-6 undiluted sprays depending on the size of your pet. Large breeds may require additional sprays. Use daily or as needed.

**BioPro-Pet Spray** is an all natural and biodegradable probiotic pet spray containing powerful, living microbes and their metabolites.

# BioPro-Pet Spray

## Probiotic Pet Spray

Minimum Content Lactic Acid Bacteria:  $3 \times 10^5$  cfu/ml
